NOW IN PAFOS, CYPRUS
WHO WE ARE

FOUNDED IN 1866; OPENED IN PAFOS, CYPRUS IN 2023

TEACHING-CENTERED RESEARCH UNIVERSITY

AMERICAN LIBERAL ARTS MODEL OF HIGHER EDUCATION

The American University of Beirut – Mediterraneo in Pafos, Cyprus is approved by the Middle States Commission on Higher Education (MSCHE) as a branch campus of the American University of Beirut. All departments and programs at AUB Mediterraneo are accredited in Europe and Cyprus through the Cyprus Agency of Quality Assurance and Accreditation of Higher Education (CYQAA).

SCHOLARSHIPS

Scholarships are valid for the duration of study as long as the student is in good academic standing. Scholarships (except for the President Merit Scholarship) and financial aid may be combined, but total financial assistance cannot exceed 80% of tuition.

President Merit Scholarship | 100%
Provided to a select number of new undergraduates with outstanding academic qualifications

Early Admission Merit Scholarship | 30%
Provided to applicants who apply early and are admitted early

Legacy Scholarship | 10%
Provided to students whose parents or grandparents are AUB alumni

Inaugural Cohorts Scholarship | 20%
Provided to students enrolling at AUB Mediterraneo in fall 2024, 2025 or 2026

AUB in Europe Scholarship | 20% OR 10%
This scholarship celebrates the establishment of the American University of Beirut – Mediterraneo as AUB’s first twin campus in Europe. Provided to students who are nationals of and/or residing in and/or graduating from high schools or universities in the EU, EEA, or Switzerland.

SAT Superscore, OR ACT Superscore, OR THE INTERNATIONAL AS-LEVEL EXAMS, OR THE CYPRiot PUBLIC APOLYTIRION

SAT/ACT exam: Can be taken several times. We take the highest score earned for each section (super-scoring).

Other exams: same subjects as those listed above for early admission.

Cypriot Public Apolytirion requires an additional math exam at AUB Mediterraneo.
PHILOSOPHY, POLITICS, AND ECONOMICS (PPE)
Bachelor of Arts
4–year program | 240 ECTS credits
A multidisciplinary program looking at the social, economic, and political issues and challenges facing our world in general and the eastern Mediterranean in particular, with courses in each of the disciplines and bridging the three. Includes a 4th year research project.

COMPUTER SCIENCE
Bachelor of Science
4–year program | 240 ECTS credits
Provides a solid foundation in computing at both the theoretical and practical levels, thus conferring the ability to design, build, and deploy sophisticated systems using state-of-the-art technologies in a broad array of areas.

PSYCHOLOGY
Bachelor of Science
4–year program | 240 ECTS credits
Students will explore the nature of psychological processes and functioning, gain basic knowledge and skills necessary for research in psychology, and learn about the applications of psychology in the wider community. Includes a 4th year thesis research project.

BUSINESS ADMINISTRATION IN MANAGEMENT
Bachelor of Business Administration
4–year program | 240 ECTS credits
Prepares students to become effective leaders in a highly competitive business world. Provides a solid foundation in all business disciplines, and is aligned with the advancements and trends in the corporate world including data analytics, innovation, and entrepreneurship.

INDUSTRIAL ENGINEERING
Bachelor of Science
4–year program (with 1 summer) | 244 ECTS credits
Students learn to effectively participate in, coordinate & manage diverse teams of engineers & analysts, especially in large-scale systems. Courses include basic science, general education, business, and engineering fundamentals. Includes a 3rd year summer internship.

We also offer a pre-med track for students interested in preparing for MD programs that follow the American model for medical education.
